Svenska Aerogel Holding AB welcomes new Sales Manager in Germany

Svenska Aerogel has expanded its global team with the appointment of Chy Ming Tang, who joins the company as Sales Manager for Germany and rest of DACH area on June 1st.

Chy Ming Tang will play an important role in strengthening the company's business in this area where Svenska Aerogel has introduced Quartzene to manufacturing industries for various applications. Together with Svenska Aerogels established distributors, Chy Ming Tang will be committed to working with customers to provide expertise and support to improve their development of new products with Quartzene.

Marco Mayor, Sales Director Svenska Aerogel says:

- Chy Ming Tang (image) brings considerable experience in this area to Svenska Aerogel, and therefore significant value to our customers. He has long experience in sales, working recently as Key Account Manager for Akzo Nobel and he has valuable technical experience from R&D. Our customers are at different stages in the development process and the support we can offer is appreciated by customers and shortens the time to commercialization."

For further information please contact: Tor Einar Norbakk, CEO Svenska Aerogel +46 (0)70-616 0867, <mailto:toreinar.norbakk@aerogel.se>

Svenska Aerogel manufactures and commercializes the nanoporous material Quartzene® for various industrial applications. Svenska Aerogel's business concept is to meet market needs for new materials focusing on sustainability. Quartzene is optimized to add desired properties in various applications. The company's vision is to be the most valued business partner providing new material solutions for a sustainable world. Svenska Aerogel Holding AB, Nasdaq First North Growth Market.
